and Testing in the Field of Textile Ecology

The company

Dong Il Industrial Co.

1124-49, Guro Dong
Guro Ku

ROK- Seoul, Korea

is granted authorization according to Öko-Tex Standard 100 to use the Öko-Tex mark, based on our **test report HKB 19939**

for the following articles:

Embroidery and sewing thread made of 100% viscose and 100% polyester, white and dyed

The results of the inspection made according to Oeko-Tex Standard 100, product class I for baby articles, have shown that the above mentioned goods meet the humano-ecological requirements of the standard presently established.

The certified articles fulfill the requirements regarding the use of azo-dyestuffs of the German „Bedarfsgegenständeverordnung“ which came into force on the 1st of April 1996.

The holder of the certificate, who has issued a conformity declaration according to EN 45014, is obliged to use the Öko-Tex mark only in conjunction with products that are conform with the sample initially tested.

This authorization is valid until 15.03.00

Zurich, 10.03.99
